

Pumpkin Drumming Circle

Create a pumpkin drumming circle.

Gather your pumpkins and provide claves or wooden spoons to tap out the rhythm to a favourite song. Or demonstrate a short drumming pattern and ask everyone to copy it.

When you've finished, the pumpkins can be carved for Halloween but don't forget to set aside your pumpkin seeds for your instrument shaker!

Make a Pumpkin Seed Instrument Shaker

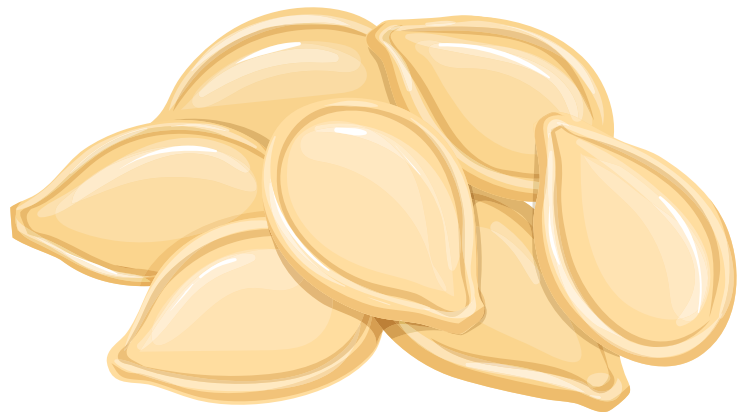

Scoop out some pumpkin seeds, wash and set aside to dry

Decorate an empty bottle or tub with orange, green or brown paint

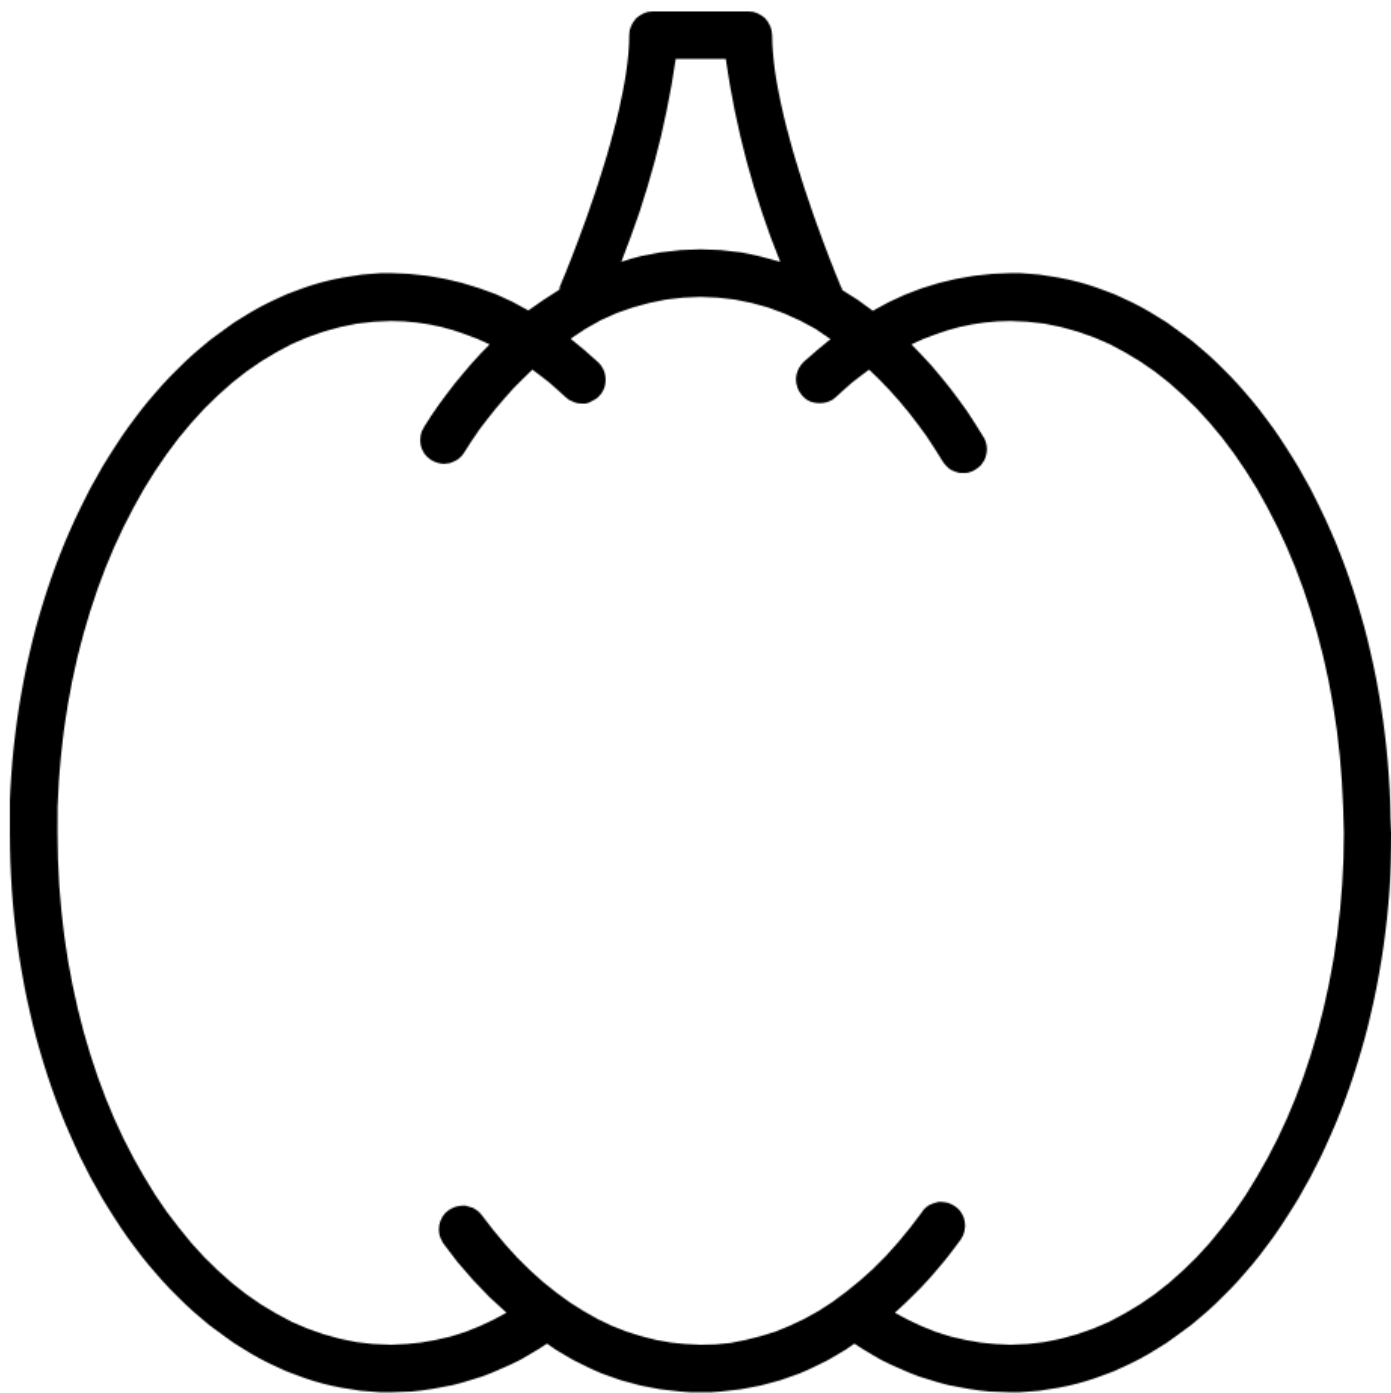

Add dried pumpkin seeds to bottle/tub and secure the lid

Sing your favourite songs and play along to the rhythm with your instrument shaker

Bunting Template

Print me onto card or paper, then carefully cut me out and decorate me. When finished, use string to create a classroom bunting display for Autumn.
